1st ANNUAL BOWLING-FOR-SCHOLARS & GUTTERBALL BASH!

SARATOGA
SPONSOR-A-SCHOLAR

Saratoga Sponsor-A-Scholar (SSAS) is a new tax exempt organization formed by the collaborative efforts of a dedicated group of Saratoga Springs residents, the Saratoga Springs High School, the Saratoga Mentoring Program/Big Brothers Big Sisters and Skidmore College.

SSAS will select 10 disadvantaged sophomores from the Saratoga Springs City School District each year and provide them with mentors, academic tutoring, PSAT and SAT training and other assistance with college preparation during their last 3 years of high school. SSAS also will provide yearly cash stipends of \$1,500 per student during each year of college attended.

WHY SUPPORT SSAS

This is a local cause. It directly benefits young adults in Saratoga Springs. When fully operational we will be positively influencing 70 young people at any point in time who belong to this community and will at some point give back to the fabric of this community.

It is an efficient use of a donation. At present there are no overhead costs that are not covered either personally by Board members or through volunteer efforts. Thus 100% of each donation goes to the direct benefit of our scholars rather than having it eaten up by overhead and administrative costs as most national charities do.

It has measurable results. We measure each student's progress both academically and socially. Our site is the Saratoga School System. Our onsite coordinator is the Saratoga School's Director of Guidance Services. We have the ability to monitor each Scholar's academic results and behavior on a daily basis.

It is accountable. Each Scholar pledges to maintain a certain academic average, attend mandatory weekly study sessions, individually meet with their assigned mentors and attend tutoring classes if their marks fall below certain levels. This is not a gift. It is an opportunity for which the scholar must perform.
